FIVE-YEAR-OLD BOY KILLED AT WARDELL

The little five-year-old boy of Tolle Riddle was run down by an automobile and instantly killed at Wardell Sunday afternoon, we are informed, by John Stancil of Caruthersville. Our informant says the car was being driven by Stancil, who is probably 19 years old, was going at a high rate of speed.

After the accident, young Stancil was arrested by Constable Henry Hudgens of Pascola. We are further informed that on account of the severe talk against the young man and the danger of a mob forming to do violence, the constable moved his prisoner to Caruthersville.

Misses Jessie and Essie Reno entertained a number of young people at their home last night. Those present were: Misses Pauline Willis, Beatrice Chilton, Martha Reynolds, Fay Wilson and Messrs. Hugh Harbert, Shamel Yearta, James T. Dunn, James Graves and Harold Popham. A good time was reported.

The eighth grade gave a farewell social in the grammar school building Tuesday night. Most all of the class was there. Misses Flora Baldwin, Emma Shepard and E. Roseman were chaperons of the bunch.

"For the coward there is neither glory nor peace." We don't know who said it but in the language of the day, he said a mouth full. Opponents of the league of nations might try the sentiment on their consciences.

LOCAL AND PERSONAL NEWS

C. E. Stauffer of Netherlands was here on horseback Tuesday afternoon coming to have completed. Inquest papers upon the body of a negro by the name of C. Wilson. The body of the negro was found Tuesday morning near the Frisco tracks 40 rods north of the Company store in that town. There were three gashes in the head, the right shoulder broken and the right hand bruised. Justice of the Peace Stauffer held the inquest and upon examination some small change and a quart of whisky was found in his pockets. There is some thought that the incident is the work of thugs in the vicinity.

V. E. Hopkins left Tuesday for Marston where he again becomes agent at that place. He is relieved by Wm. Helm as "first trick" operator at this station, due to the order of the telegraphers' union making a ruling that all operators make way for the returning operators from the Government's service. While both the families of Mr. Helm and Mr. Hopkins are estimable people, we regret to have to lose the former from our community, however, Mrs. Hopkins and little son, Billy, will remain in this city during the summer.
